MUHAMMAD JUNAID

Ruby on Rails Developer

📞 +92-308-7015140   @ muhammadjunaid7015140@gmail.com   📍 Faisalabad, Pakistan

PROFESSIONAL PROFILE

I'm highly skilled Ruby on Rails Developer with 2+ years of experience. Over the past two years, I have worked on the Rails framework, successfully delivering high-quality web applications. With a deep understanding of Ruby on Rails, I have developed and maintained robust back-end functionalities.

During my two years of Rails experience, I implemented user-friendly front-end interfaces. My strong problem-solving abilities and knowledge of best practices have allowed me to optimize application performance, resulting in enhanced user experiences and increased customer satisfaction.

EXPERIENCE

Senior Ruby on Rails Developer

Techcologic

📅 Present   📍 Faisalabad, Pakistan

Developed and maintained a large-scale platform using Ruby on Rails

- Implemented various features using Ruby on Rails, including rating comments, action cable, search functionality, etc.
- Utilizing best practices has allowed me to optimize application performance.
- Implemented user-friendly front-end interfaces.
- Designed and optimized the database schema, reducing query times.
- Collaborated with a team of developers and product managers to prioritize and deliver new features on time.
